

BOARD BRIEFINGS

“ESG and the board’s roles” is a key focus!
“Annual regulatory update” remains our most popular briefing!
Tailored induction for new directors (particularly non-HK based) on request !

Wendy Yung, our founder, will personally deliver these briefings, and work with you to focus on aspects that meet your company’s needs. Other topics are also available on request. We can also advise you on developing a structured annual directors’ training programme.

- **Board-focused** — no legal technicalities! Actionable follow-up steps!
- **Board/management alignment** — establish common expectations and actions
- **Tailor-made**
- **Quality**

“The regulatory presentation to our board was of a high professional standard, yet without excessive legal technicalities. We find this approach useful.”

John Yip, Executive Director, Henderson Land Development Group

“Our board found the regulatory update briefing helpful. It was practical and interactive.”

Hamilton Cheng, Executive Director, Chow Tai Fook Jewellery Group
